Music School Presents Opera, Ballet, Jubileers Tuesday Night

"The Medium," an opera, "La Cendrillon," a ballet, and the University Jubileers will be presented by the music school in "Triple Feature Evening," Tuesday in the University theater 8:15 p.m.

"The Medium," by Gian-Carlo Menotti played to sell-out crowds in Simpkin's theater last summer. The opera is being produced jointly by the music and drama departments. John Lester, professor of music, is directing.

Ruth Palmer Martin, Missoula, plays Baba, the medium; Berta Huebl, Glendive, plays Monica, daughter; and Bill Nye, Missoula, plays Bobby. Shirley Blackwell, Butte; Ed Focher, Ballantine; and Colleen Baker, Beach, D., complete the cast. Miss

Vandals Smash Windows; Cause 250 Damage

Two unidentified young vandals threw rocks through three plate glass windows on the campus Wednesday night causing more than \$250 in damage, said T. G. Swearingen, maintenance engineer.

One window on the north side of the Music building was smashed and two on the north side of the Arts and Crafts building were damaged, one not too badly. Police who investigated the incident believed the persons responsible must have been of high school age or older. Their theory is based on the size of rocks thrown and the height of the windows broken.

Earlier in the week two additional windows were broken by rocks in the temporary class rooms building in back of the library. Several students were in the music building around 10 p.m.

It's Hardly the Varsity Drag . . .

As members of the cast look on, Marjorie Cooper, director and composer of the original ballet, "La Cendrillon," demonstrate one movement of the intricate steps from the ballet which opens Tuesday.

Margaret Walsh, music instructor, will accompany the group.

The Jubileers will open their program with the contemporary composition, "A Jubilant Son." Miss Huebl, soprano, sings the solo accompanied by Kay Mueller, Bozeman.

The Jubileers' men's quartet including Pat Fox, Hardin; Jim Beadle, Red Lodge; Bob Thornton, Lewistown; and Larry Nitz, Clyde Park, will sing "Four Jacks and a Jill."

La Cendrillon, a ballet written by Marjorie Cooper, instructor in fine arts, will be danced to Bizet's "Symphony in C." Music will be played by the MSU Symphonette under the direction of Don Hardisty, Butte.

Principle dancers for the ballet are Bettina Stohr, Missoula; Gordon Rognlien Jr., Kalispell; Allison Howard, and Al Esta, Seattle.

Admission for the program will be \$1 for adults and 50 cents for students. Proceeds will send the opera workshop to Eugene, Ore., to sing April 16 at the Northwest Division of the Music Educators' National conference.

'bout the Size of It

AFROTC cadets Edward B. Cogswell, Great Falls, and William Hammer, Stanford, traveled to Spokane Wednesday to fly by Air Force airlift to the annual Arnold Air Society conference in Washington, D.C.

CB Asks For Director of Student Activities, Proposes Amendments For Primary Election

Central board approved a resolution yesterday for the appointment of a Director of Student Activity Facilities. It will be forwarded to President Carl McFarland for approval.

The new director would have over-all direction of the budgets, promotions, personnel, and scheduling of the Lodge, Field House, Glacier rink, and extra-curricular use of the Student Arts and Crafts building, the proposed swimming pool and golf course, and the athletic fields.

In its resolution to the president, Central board recommended immediate adoption of the plan for the new director. The ASMSU

Co-ordinating committee prepared the plan and will be responsible for selecting the director.

The director will be a non-voting member of Central board, according to Don Chaney, Livingston, ASMSU president, and will act as an advisor on student activities.

Four amendments to the ASMSU constitution were approved for submission to the students at the April 21 primary elections.

An amendment presented to the board providing for the elimination of all class officers, except the freshman and senior presidents was approved.

If approved by the students at the primary election, there would be no elections for class officers at the general election May 3.

Another proposed amendment would eliminate the alumni representative to Central Board. In the discussion on this amendment it was pointed out that there had not been an alumni delegate for some time, and that the time required for the job made finding a delegate difficult.

The selection of faculty members of Central board would be changed by another amendment. If approved, this amendment would provide for the selection of two faculty members by the present board after consultation with President McFarland. One of the members would serve for two years and the other for four years.

After the initial selection, a new member to serve for four years would be selected every two years in the same manner. The amendment also provided that no faculty member could succeed himself.

The final amendment approved by the board would provide another year of life for the ASMSU Planning committee.

Prof. Herbert Bisno of the University of Oregon at Eugene will

be the main speaker at the Leadership camp scheduled for April 29, 30, and May 1, at the Flathead Lake Lodge, according to George Lambros, Missoula.

A motion to send representatives from Central board to the Pacific Student Presidents' association convention at San Diego, Calif. May 11-14 was approved.

WUS Drive Begins Monday

Beginning Monday students and faculty will have a week's opportunity to help students overseas complete their education. By contributing money and text books, students can help people in foreign countries get lodging, medical aid, and means of study, according to Ken Leuthold, Molt, chairman of the World University Service.

Faculty members are being asked by the committee to donate their old text books. Leuthold requests only that they be useable, both in content and physical construction, for library purposes.

The committee has expanded the annual Chinese auction to include a talent show April 15 in the Lodge Grill room.

Is This Student Government?

We want to quote two comments made in Central board yesterday that we feel are indicative of the attitude of the majority of representatives.

Stan Nicholson: "We don't want to step on anybody's toes."

George Lambros, referring to class officers: "They don't do any harm so we might as well keep them."

We don't like this negative attitude. Fortunately it didn't retard action on the four amendment proposals and we hope it won't infect the campus elections that are now beginning to brew.

'Spectre of the Rose' to be Theater Feature Tonight

"Spectre of the Rose," a ballet film, will be shown tonight at 7 p.m. at the University theatre. A short subject will also be shown.

The story concerns a ballet artist who is so engrossed in the parts portrayed, he loses all sense of reality. Under this delusion, his mind snaps and he becomes insane. Before the film ends, the audience will see him leaping from wall to wall in prelude to loss of all logic.

The movie was made in England by Ben Hecht and features an international cast.

Admission is 25 cents.

Symphonic Band Cancels Concert

MSU's Symphonic band cancelled its April 17th concert because of conflicting activities and a shortage of rehearsal time, said Hubert P. Henderson, instructor of music and director of the band.

Henderson added that the band hopes to give a couple of outdoor concerts early in May. He said they would like to play a lawn concert in front of Main hall as has previously been done at commencement services.

At present the band is preparing for a May 6 program to be given

before several hundred high school students.

Baseball Team Meets BYU Today

Grizzly baseball team, after being at the bit for a week in Utah, will finally get its rest today.

Byrne, in a call to the MSU athletic department yesterday, pointed out the fact that the Grizzlies will play the scheduled conference doubleheader with BYU today.

The Grizzlies and Cougars will have one game late this morning, and the second game later in the afternoon.

The Grizzlies will probably use Glenn and Paul Caine as mound men. The rest of the team is up with Jerry Walker at pitcher; Sam Pottenger, first base; Hendricks, third base; Tom Pottenger, shortstop; and either Campbell or Hal Winter filling the second base position.

Captain Clint Humble, Keithson, and Frank Kocsis will fill the outfield.

BYU already has five games on its belt, after a barnstorm tour of California.

Cougar coach Dave Crowton is very worried about filling in for pitchers that graduated last year. They are Ray Lish, who is a thorn in the side of Montanans for three seasons, Gary Johnson and Morris Jackman. Veterans Lynn Jones and Lamar Adams are the two top men at pitcher position this season.

Pitchers are Jim Nicols, Arlan Adams, and Brent Pratley. Glenn is set at first base, and veteran Phil Oyler will play shortstop or third base. Others in line for infield positions are Gary La-

Comb, Tom Steinke, Demar Batchelor, Phil Salter, and Norm Christiansen.

Only one veteran returns to the BYU outfield, Ralph Morgan. Others working in the outfield are utility veteran Dave Lewis, Paul Kitchen, Rod Shipp, Ken Lindquist, and Daryl Anderson.

IT'S A LONG WAY...

When you wind your watch, it may seem like just a few twists of the wrist to you — but for your watch, it's almost like setting off on a round-the-world journey. Is it any wonder then that your watch begins to grow weary after a while? You can hardly expect such a delicately-balanced instrument to remain in perfect running order indefinitely. To insure longer life and constant accuracy, your watch requires cleaning and oiling at least once a year. So bring it in for a check-up today.
